DON CAMPBELL WINS FIRST TROPHY DASH IN NASCAR'S LATE MODEL TYPE RACE

Campbell, CA (June 7, 2004) – NASCAR Late Model stock car driver Don Campbell led the entire race to win his first trophy dash last Saturday night at Altamont Motorsports Park in Tracy, CA. Campbell, in his first stock car season, drives the Courtesy Chevrolet Monte Carlo in NASCAR's Late Model division at short tracks throughout California.

Professional road racer Don Campbell decided to expand his racing background. For the past 10 years, Campbell has raced Vipers, Corvettes, Porsches, Mustangs and Camaros at road race tracks throughout the U.S. and Canada. This year is Campbell's first ever debut into NASCAR stock car racing.

"I am very excited to get my first NASCAR type Late Model trophy dash win tonight," said driver Don Campbell. "The Courtesy Chevrolet Monte Carlo was awesome. I would like to thank my entire team for their tireless efforts in preparing a very fast hot rod."

Don Campbell (Campbell, CA) has built an impressive racing resume over the last 10 years. Campbell has won numerous championships from autocrossing to road racing. Most recently, in 2003, Campbell competed in the SCCA Pro Speed World Challenge, racing his Corvette C5R throughout the U.S. and Canada. Campbell's races regularly appeared on the Speed Channel television network. He also kept busy with driver appearances and autograph sessions. Also, in 2003 Campbell raced in the longest road race in the world, The 25 Hours of Thunderhill. In 2002, Campbell won NASA's CMC Season Championship. Campbell set six road race track records at Buttonwillow, Thunderhill, Willow Springs, California Speedway, Spring Mountain and Infineon Raceway. Campbell's championship season included 10 wins and 14 pole positions. In 2001, Campbell was on the first place team at the U.S. National Viper Championships. Campbell won SCCA Solo II Regional championships in 1998, 1999 and 2000.
