**DON CAMPBELL TO RACE THE COURTESY CHEVROLET CORVETTE
IN THE SCCA PRO SPEED WORLD CHALLENGE**

Campbell, CA (January 7, 2003) – Don Campbell will race in the SCCA Pro SPEED World Challenge. Campbell will campaign the full season in the Courtesy Chevrolet Corvette. The road races are held throughout the United States, Canada and even Puerto Rico.

"I am very excited to announce that I will be running the Courtesy Chevrolet Corvette in the World Challenge series," said professional racecar driver Don Campbell. "I would like to thank Courtesy Chevrolet for all of their support on and off the track. I am looking forward to competing against some of the best road racers in the world such as Boris Said, Hans Stuck and Randy Pobst. The World Challenge is an excellent series to showcase the speed and power of the Chevy Corvette against the other top sports car manufacturers in the world."

"We are extremely proud to have Don Campbell represent our dealership in a Corvette", said Beau Roulette, V.P. of Courtesy Chevrolet in San Jose, California. "Don has built a very impressive racing resume over the years and we look forward to seeing our car running up front."

The World Challenge series begins the season in March at the famous Sebring Raceway in Florida and ends up in October in Puerto Rico. During the season, the series will go to tracks such as Lime Rock Park, Mosport International in Canada, Road Atlanta, Laguna Seca, Infineon Raceway and Road America. The races are a true manufacturer competition between Audi, BMW, Porsche, Chevy, Ford, Dodge, Acura and Ferrari.

Don Campbell (Campbell, CA) is coming off the most successful year in the history of NASA's CMC road race series. Campbell set five track records, earned 14 pole positions, and achieved 10 wins on his way to being crowned the season championship.
